Dear J.S.:

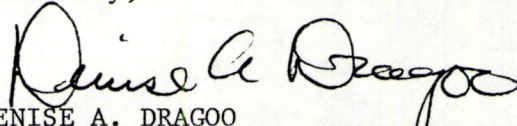

Enclosed please find the Board's Order of February 26, 1981 concerning the Sum Mining Company's Oljeto Mine, San Juan County, Utah. The operation at issue in this case is a uranium mine, not a coal mine, and therefore is subject to the provisions of the Utah Mined Land Reclamation Act, Section 40-8-1, et seq., UCA, rather than the Utah Coal Mining & Reclamation Act, Section 40-10-1, et seq.

I have enclosed an application form for the Board's monthly hearing agenda. Should you determine that such information could assist you, please complete the application form and return it to:

Linda Lawrence
Division of Oil, Gas and Mining
1588 West North Temple
Salt Lake City, Utah 84116

Please contact me if I can be of further assistance.

Sincerely,

DENISE A. DRAGOO
